WEEKLY FINANCIAL LITERACY MINI-LESSONS (10:45 AM Accounting Block)

WEEK	TOPIC	ACTIVITY
Week 1	What is money?	Compare GBB to real dollars. What can you buy with each?
Week 2	Saving vs. Spending	Set a GBB savings goal. What are you saving for?
Week 3	Earning	How does work = reward? What jobs earn more and why?
Week 4	Budgeting	If you have 100 GBB, split it: save/spend/give
Week 5	Interest	GBB in 'savings' grow 5% per week — watch it compound!
Week 6	Trade-offs	Every choice has a cost. Spend now vs. save for bigger reward?
Week 7	Needs vs. Wants	Sort 10 items into needs and wants. Which GBB purchases qualify?
Week 8	Final Balance Review	Total up everything. What did you earn? Spend? Save? Learn?

HOW TO LOG IN THE APP (goodbodybucks.web.app)

1. Open goodbodybucks.web.app on your phone or tablet
2. Select the child's account (Miles or Sabrina)
3. Tap 'Add Transaction' → select the category → enter GBB amount
4. Add a short note ('Completed Math lesson', 'Hit 5 line drives', etc.)
5. Have the kid confirm and celebrate the balance!
6. Review the running total together — this IS the accounting lesson

Pro tip: Let the kids log it themselves whenever possible. The app interaction IS the lesson.
