

MILES GOODBODY

Summer Learning Plan — Rising 2nd Grader

Summer 2025 | Goodbody Summer Academy

WHO I AM AS A LEARNER

Miles is a math powerhouse with a competitive spirit and high energy. He picks up numbers fast and loves a challenge. His growth area this summer is WRITING — building confidence, mechanics, and his own voice on paper.

MY SUMMER ACADEMIC GOALS

WRITING (Main Focus)

GOAL	HOW TO GET THERE
Write 3+ sentences independently	Daily 10-min writing time; use baseball story starters
Use capital letters correctly	1 mechanic focus per week; review old writing together
Use punctuation (., ?, !)	Circle every period hunt game; write then edit
Write a complete short story (6-8 sentences)	Build week by week; finish a 'book' by Week 6
Spell 50 sight words from memory	5 new words per week; games, flashcards, write them

MATH (Strengthen & Extend)

GOAL	HOW TO GET THERE
Master addition & subtraction to 100	Timed drills + word problems; beat your own score
Understand place value (hundreds, tens, ones)	Use coins, blocks, draw it out, write the number
Introduction to multiplication (2s, 5s, 10s)	Counting patterns, skip counting songs, arrays
Solve 2-step word problems	Write your OWN word problems about baseball

READING

- ★ Read 20 minutes every day — any book he chooses + one Dad-assigned book
- ★ Practice reading aloud with expression (performance reading)
- ★ Answer 3 comprehension questions after each reading session
- ★ Learn 5 new vocabulary words per week from his reading

BASEBALL SUMMER GOALS

Miles chose these goals himself. We work on these at practice. Check them off as we hit each milestone!

DONE?	BASEBALL GOAL	GBB REWARD
☐	Hit 5 line drives in a row off a tee	15 GBB
☐	Field 10 ground balls cleanly in a row	15 GBB
☐	Throw a strike (accurate throw) to first base 7/10 times	20 GBB
☐	Complete a full game without losing focus in the field	25 GBB
☐	Learn and execute a bunt correctly	15 GBB
☐	Get a base hit in a real game	25 GBB
☐	Know all base running rules (when to tag up, when to run)	15 GBB
☐	Practice 3x per week for 4 straight weeks	30 GBB bonus

BETTER YOURSELF PROJECT — MILES

Miles picks ONE skill project to work on all summer. He will show it off on Family Project Day at the end of summer.

PROJECT OPTIONS	WHAT YOU BUILD / LEARN
 Photography	Learn camera basics, take 50+ photos, create a printed photo book or display of your summer
 Building / Woodworking	Build something with Dad — a bat rack, birdhouse, or small shelf. Learn measuring, cutting, sanding, finishing
 Art / Drawing	Draw a 12-panel baseball comic strip. Learn basic perspective, shading, and storytelling through pictures
 Growing	Plant a garden: 3 types of vegetables or flowers, track growth weekly, harvest and cook something
